

### ***Palembang, a historic city !!!***

Palembang is a city that is rich in historical values. Its journey to become the city as we can see now does

It's already well known publicly that Palembang from 7th to 15th century was the center of Sriwijaya Empire.

After Sriwijaya concurred by Majapahit Kingdom in 15th century (1477), Palembang finally experienced a

It had not been over yet, in 1825 the Netherlands came again, and demolished the Palembang Sultanate.

Finally, in 1948, This land of Subharnadvipa (the island of gold) became the capital of South Sumatera province.

In 1950, eventually, Palembang officially became a part of RI (Republic of Indonesia), a nation which is c

Yes, history can not be ignored and forgotten easily. This city has once been a center of a great empire
